

Ride **Miles** **Elevation** **GPS File** **Description**

Friday

Town & Country	29.1	1,389	FR1H_Mates17	First portion for you to take a tour of town. Please be careful and take it slow. By mile 6, you will be in quiet countryside north of town. A good sample of what Culpeper has to offer.
Inn at Kelly's Ford Remote	32.4	1,119	FR1R_Mates17	A fine addition from our friends Dave and Julie Harper. Inn at Kelly's Ford is a fine place for lunch. While Saturday's rides go by here, this route offers mostly different (and flat) roads to explore.
Culpeper Outer Circle	34.2	1,827	FR2H_Mates17	A suggested ride of Culpeper Cycling. Many rolling hills for 1st half -then flattens out at end. Many lunch options near mid-ride. Frankly, first half is not our favorite due to residential areas and then Culpeper suburbs - but partially compensates with ice cream at Mile 18.
Rapidan Ramble -50	48.7	2,096	FR3H_Mates17	A feature from prior MATES. Heads south to Rapidan near RE Lee Lookout. Some fabulous long stretches of open road to get the legs fired up.

Saturday

Kelly's Short Remote	31.0	1,087	SA1R_Mates17	Remote start from Lenn Park. Nice sample of flat roads around Kelly's Ford and Civil War history. Sorry to cross busy 15/29 twice (at light) - was hard to avoid given many dirt roads in the area.
Kelly's Long Remote	40.4	1,660	SA2R_Mates17	Remote start from Lenn Park. Nice sample of flat roads around Kelly's Ford and Civil War history. Heads further north than shorter loop into lovely countryside and river crossings.
Kelly's Short Hotel	52.4	2,003	SA3H_Mates17	The same route as shorter remote - but with access to and from hotel using mostly flat and fairly quiet roads.
Kelly's Long Hotel	61.9	2,566	SA4H_Mates17	The same route as longer remote - but with access to and from hotel using mostly flat and fairly quiet roads.

Sunday

Southbound 20	19.4	733	SU1H_Mates17	Heads southbound where it is still relatively flat. Small stretches of busier two lane roads (Rt 15 and 522) but mainly quiet roads.
Southbound 30	30.5	1,128	SU2H_Mates17	Similar to above but accesses more nice country roads - but comes at a small cost -- a 1.5 mile stretch of packed dirt/gravel on Somerville Rd - but quite passable - just take it slow for the 10 minute section.
Rapidan Ramble -45	45.6	1,987	SU3H_Mates17	A shortened version of Rapidan 50. Shares first miles with other Sunday rides before heading further south. Passes by RE Lee Lookout. Nice sample of what countryside has to offer.
