

2010 Eastern Tandem Rally

July 2-4, 2010

Saratoga Springs, NY

Saratoga is nestled on the southern edge of the Adirondack Park, six million acres of wilderness area containing the highest peaks in New York State. With unspoiled mountains, forests and waterways, the Adirondacks are a year-round outdoor playground.

ETR 2010 will be centered in Saratoga Springs, a resort community located 30 miles north of Albany on I-87, with easy access from NYC, Boston, Montreal and western NY. It is a wonderful area to bicycle with rural roads, rolling through small towns and farmland areas to gradually longer climbs if you head north into the Adirondacks. We are planning a picnic lunch at Moreau Lake.

Saratoga has been a popular destination for centuries. Located on an ancient geologic fault line, Saratoga Springs has many naturally carbonated mineral springs. You can sample the unique taste and look of each based upon the mineral content at many pavilions in the area. In addition, Saratoga Springs is home to the world-famous Saratoga Race Course, drawing the thoroughbred racing crowd each summer. Saratoga Springs is also the home of the Saratoga Performing Arts Center, summer home to the New York City Ballet and Philadelphia Orchestra. The Saratoga Spa State Park is home to the National Museum of Dance and the Saratoga Auto Museum. Saratoga Springs is also home to the National Museum of Racing and the Thoroughbred Hall of Fame. Fine dining and great shopping are plentiful in the historical downtown district.

Nearby is Saratoga National Historical Park, the site of the turning point of the American Revolution in 1777, known as the Battle of Saratoga.

ETR 2010 will be held before "flat track" season brings the crowds to this resort area later in July. Lodging for the July 4th weekend can be extended through the Monday holiday, if you want.

ETR 2010 will be based at the Holiday Inn in Saratoga Springs, NY. More info will be available in a mailing or on the ETR website www.eastertandemrally.org in December.
